I kind of think that I'm extremely good looking, in a handsome, mouse-like way. My family thinks that I'm a prankster who loves to play tricks whenever I can... well, there may be some truth to that!!!</p>	<p>Mudpie</p> <p>Fur <small>for more detail</small></p>  <p>TN1 TN2 EB3</p> <p>Skin Parts</p>  <p>TN1 TN2 FS3</p>	 <p>Mudpie is my brother. He has brown fur and a little nick in his ear... I tell him that his name really should have been "Nick." Amanda blames me for the nick in his ear. I however, blame the piece of cheese that we were both racing to eat. It's not my fault that his ear resembles swiss cheese! Mudpie is really lazy. His two favorite activities are eating and sleeping. He's a true Mouse-potato.</p>
<p>Monica</p> <p>Fur <small>for more detail</small></p>  <p>IG1 IG2 IG5</p> <p>Skin Parts</p>  <p>TN1 TN2 FS3</p>	 <p>Monica is gray with a teeny, tiny body and big feet! She tends to be sweet, innocent and charming. Don't let her know, but even though she's my little sister, I think she's very precious!</p>	<p>Amanda</p> <p>Fur <small>for more detail</small></p>  <p>TN1 TN2 TN5</p> <p>Skin Parts</p>  <p>TN1 TN2 FS3</p>	 <p>Amanda is the most well-behaved and mature of all of us siblings. She has fawn colored fur and her ears are a bit large. She is very innovative and is always full of creative energy and ideas. She is always making sure that we behave... or at least she thinks she keeps us from misbehaving!</p>
<p>Muzzy</p> <p>Fur <small>for more detail</small></p>  <p>IG1 IG3 IG6</p> <p>Skin Parts</p>  <p>TN1 TN2 FS3</p>	 <p>Muzzy is fuzzy! He has really long hair which is dark grey.
